A Registered Dietitian compiled this nutrition information from the following data: Nutrition analysis from approved food manufacturers, independent laboratories and the USDA Nutrient Database for Standard Reference. The nutrition information listed here is based on standard recipes and product formulations, however slight variations may occur due to season of the year, use of an alternate supplier, region of the country and/or small differences in product assembly. Nutrition information for these items are based on the most common formulas and ingredients.

*Number of salami slices varies by build.

****At participating locations.**
